

Inside Sales Assistant (m/f/d)

DATA MODUL is a distributor and manufacturer of professional industrial touch-, display-, monitor- and panel PC solutions. Headquartered in Munich, Germany, the company employs over 450 employees at 22 locations worldwide and is one of the world leaders in the electronics industry with a focus on display technology and visual solutions.

For our Denmark subsidiary in Kolding we are looking for an Inside Sales Assistant (m/f/d) in Kolding (full-time).

Your tasks:

- Serving existing customers and helping to build up new accounts together with our Outside Sales
- Supporting our sales team to reach the set sales targets
- Managing orders, deliveries and return
- Managing invoicing and accounting issues
- Follow up on cold and warm leads
- Cooperating closely with various departments in the headquarter and at our production facilities

Your benefits:

- Workplace in a dynamic and technology driven international company with headquarters in Germany
- Competitive salary and benefits
- Individual onboarding activities and ongoing training
- International working environment with great growth opportunities
- Demanding role with a high level of autonomy
- Data Modul is an equal opportunity employer encouraging diversity in the workplace

Your profile

- Successfully completed university degree in Business Administration or similar
- Fluent in English
- Experience in sales preferable
- Technical sales background in display technology, touch screens and embedded PC System is preferred
- Excellent knowledge of MS-Office, especially Excel
- Self-driven energetic personality with good negotiation skills with high commercial awareness
- Team player with self-assured behavior, advanced communication skills and a strong customer focus

Your application

Please send your application and CV [here](#).
