

Sales Manager (m/f/d) Denmark

DATA MODUL is a distributor and manufacturer of professional industrial touch-, display-, monitor- and panel PC solutions. Headquartered in Munich, Germany, the company employs over 450 employees at 22 locations worldwide and is one of the world leaders in the electronics industry with a focus on display technology and visual solutions.

For our Denmark subsidiary in Kolding we are looking for a Sales Manager (m/f/d) (full-time) in Kolding or home-based.

Your tasks:

- Managing and developing existing customers as well as
- Acquiring new customers including regular customer visits
- Evaluate important customer and marketing data and translate these into action plans
- Identifying and specifying products that will meet customer needs
- Supporting all related sales, technical and pricing requirements
- Drive the sales of new system solutions in close cooperation with Product Management and Application Department (based in Germany)
- Visit customers on a regular basis within Denmark and occasional travels to Germany

Your profile:

- Successfully completed university degree in Business Administration or similar
- Technical sales background required, preferable in display technology, touch screens and embedded PC systems
- Technical affinity
- Strong customer focus
- Self-driven energetic personality with good negotiation skills
- High commercial awareness

Your benefits:

- Workplace in a dynamic and technology driven international company with headquarters in Germany
- Competitive salary and benefits
- Individual onboarding activities and ongoing training
- International working environment with great growth opportunities
- Demanding role with a high level of autonomy
- Data Modul is an equal opportunity employer encouraging diversity in the workplace
- Company events

Your application

Please send your application and CV [here](#).
